

Invitation to a People's Emergency Briefing on the Climate and Nature Crises in Addingham

As you may know, last November saw a National Emergency Briefing on the climate and nature crises held in Westminster. Hundreds of parliamentarians, peers, business leaders, faith leaders and celebrities were presented with evidence from leading scientists and other experts about the threats facing our country, for example from food security, national security, and extreme weather events. But win-win solutions were also presented for climate, nature and our economy.

As part of a nationally-coordinated series of local events, now over 1000 around the country, **we will be hosting a briefing on Friday 3rd July in the Memorial Hall, starting at 7.30 pm.**

It will include the screening of a 50-minute film and a discussion regarding the actions we need to take. **A trailer of the film is available [here](#).**

As with the national event, we are inviting our political representatives, local businesses, school, community and faith leaders to attend.

Our event is being organised by Climate Action Addingham (CAA) and Addingham Environment Group (AEG) with the support of Addingham Parish Council (APC) and Addingham Civic Society (ACS).

We would like to invite you to take part in the event and to bring a friend or colleague.

Please reserve your tickets by clicking [here](#)

And please do let us know if you have any questions, by emailing aeg@addingham.info

With kind regards

Simon Tennant (APC), Gill Battarbee (ACS), Jan Hindle (AEG) and Rick Battarbee (CAA)
